A business-man, it's like the confectionier, the toy merchant, or...
Wow, wow! Stop right there your silly explanation!
...A person who's able to sell something to someone that doesn't need it...
And makes a good profit out of it.

What is "good profit"?
Lessee ...
It's a lot of money, but it's money that the buyer is ready to pay in order to get the stuff!
About his cold ...
I think it'll go away with the medicine I bought, but...
If he get sick again, how will we do? We can't bring him to a doctor.
If I talk about this...
...it's not because we won eight million at the race, but...

We'll move out soon.
...We could rent an apartment?
Your sister could act as guarantor. Think of the future!
The future, eh? Oh, I can imagine it very well!
What's more, you get a nice welcoming! I'll just have to watch my ass during the opening ceremony ...
WE SHARE THEIR PAIN...
A small room with bars on the windows, out of bed early, back in bed early, a healthy life!
No guarantee, no loan, no guarantor. A fast move, with a complete alimony!
This life we're living !!
I love it...
I don't know any worse!
It's just that... You know... Our life...
You idiot! That's not what I meant !
Do you regret, Tetsu?

ゴソゴソ

So Pochi, Maeda wasn't home?

ゴソゴソ

Come on, Pochan, we're going to eat sandwiches, ok?

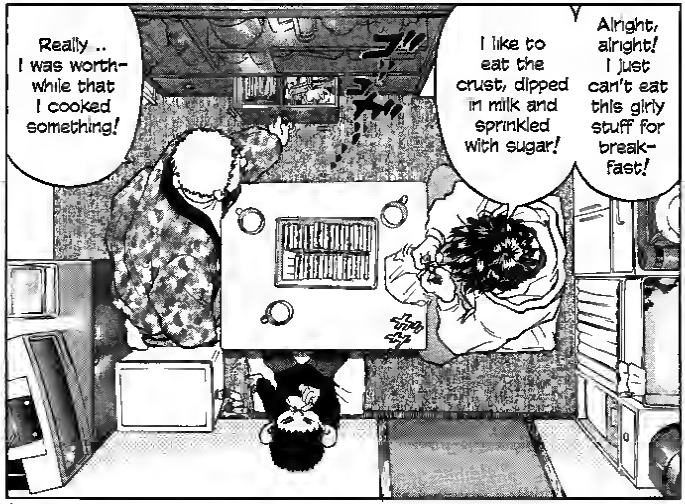
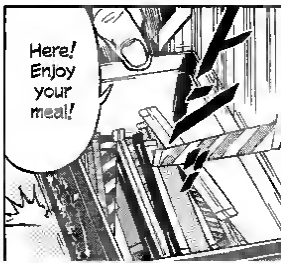
A bit earlier, when I brought him Pochi's stuff, he wasn't there already...
The hermit turned ...
into a twirling butterfly.
Sugar please, Momo ...

I prepared this on purpose, and you eat only the crust?



Really .. I was worthwhile that I cooked something!
I like to eat the crust, dipped in milk and sprinkled with sugar!
Alright, alright! I just can't eat this girly stuff for breakfast!

You went to talk about death with Maeda, Pochi?



Here! Enjoy your meal!

Stop talking about.. this kind of things!
"See your mommy and daddy again if you die"
...
Well spotted.. A problematic proposal, a sophisticated torment.
Listen carefully, Pochi. I already told you this, but I'll repeat it again

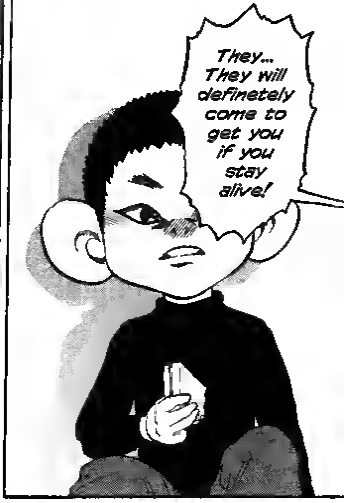
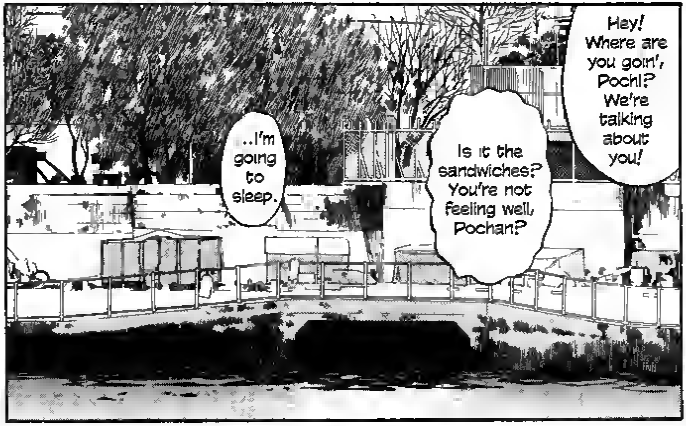
Wether you're alive or dead, you will never see you mom and dad again!
If you live, your mom and dad will come to get you. Do you understand, Pochan?! Because you're a lost child...

Stop lying to him! It's too twisted... Maeda is way more honest than you!
Stop that!

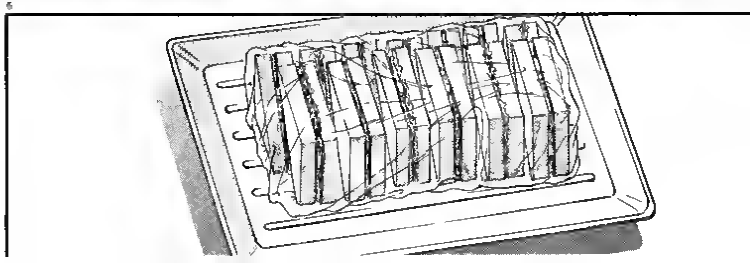


They... They will definetely come to get you if you stay alive!

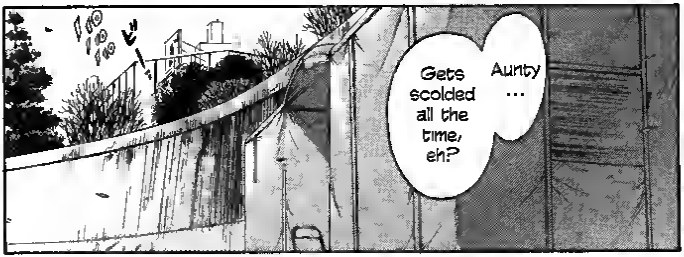
Maeda this, Maeda that... You talk about Maeda all the time! Maybe you're in love with him!



Hey! Where are you goin', Pochi!? We're talking about you!
Is it the sandwiches? You're not feeling well, Pochan?
...I'm going to sleep.



Yeah! There's a legal consultation.
Uerio ?
It's best to get ready and take the necessary measures. We can't trust anybody anymore.
We can't take things lightly anymore. Everything's going to accelerate and we're taking a big risk.
With the million yens reward ...
You know what, Momo? I'll lent you my brain's right lobe to help you understand!
A clever guy like you trust Maeda? ...
How can ...



Aunty ...
Gets scolded all the time, eh?
